

## DO YOUR FIRE ESCAPES COMPLY WITH FIRE REGULATIONS?

Do they meet your legal obligations in terms of the OSH Act, National Building Regulations and SANS 10400T?

We have many viable solutions that comply with regulations, to protect your people and assets

Typical Panic Latch

Panic Bar with vertical locking rods

Industrial Quality Panic latch

Outside access using keys is an option with most panic devices. **CISA SP #136** or **ASTRAL TEKNA S01** High Security cylinders & keys are available at nominal extra cost
