ULTRALOQ SMART LOCK

Order Code F427 76 001

**Suitable for homes, offices, stores – any door that needs to be used easily – without keys and without hassles.
Smart, robust, easy to install and easy to use.**

Keyless Operation via

- **Fingerprints:** up to 95 fingerprints
Optical reader becomes alive when touched
- **Pin-Codes:** up to 95 codes of 4-8 digits
Anti-peep touchscreen
- **Smartphone / Tablet:** operation via Bluetooth (BLE) using the Ultraloq app
- Strong zinc alloy case
- Aged Bronze (as illustrated) and Satin Nickel (silver) finishes are standard
- Bright Brass finish can be ordered ex-factory
- Key override – 3 keys supplied.

Meets exit requirements for Guest Rooms and Guest Houses:

- **Exit from inside is always free - using the handle.**
- **The outside handle is normally locked.**
- **The Door locks automatically when closed.**

The Manager / Administrator can

- Add or delete other user's fingerprints
- Add or delete other user's pin-codes
- Unlock the door using Bluetooth (4.0 upwards) on a Smart phone or Tablet
- Re-set the lock to factory settings thus deleting ALL users.

The lock can be set by the Manager to:

- Auto-lock: Locks automatically whenever the door closes (i.e. stops entry from outside, while exit is always free from inside)
- Passage / Party mode (both handles operate freely until re-set by Manager)
- NO wires or power supply needed
- Battery operated (3 x AA alkaline penlight batteries)
- Battery life 1 year (up to 6,000 uses per set of batteries)
- Low battery warning
- The outside unit is dust / Weatherproof IP 65
- Suits doors 35 – 44 mm thick

Talk to the Loxperts and ask for a demonstration.

We have over 100 years of security expertise.

Keyed or Keyless – Wired or Wireless - we can solve all your locking problems.
